POPULISTS NOMINATE A CARPENTER BAGGER FOR CONGRESS

Ralph Beaumont, the Socialist, Selected at El Reno as Candidate for Territorial Delegate Against Dennis Flynn—A Stranger Offered for the Sacrifice.

Not Yet a Voter in Oklahoma—Brief Sketch of the Hungry Pop.

EL RENO, O. T., July 11.—The Populist congressional convention today nominated Ralph Beaumont for territorial delegate to congress.

The nominee is one of the original Populists of the country. He has always been a radical, and said in his speech to the convention that the corporations own the government, the military and the judiciary. He is a Socialist and, like all Socialists, has a great hatred yearning to get into office. He has never voted in Oklahoma, being comparatively a new-comer. He runs a paper in Oklahoma City. He will have absolutely no show against Dennis Flynn, the Republican nominee, as the Populists are very weak in Oklahoma, and Beaumont is a stranger even among those strong in the faith.

ENID AND POND CREEK CASES.

GUTHRIE, O. T., July 11.—The South End mandamus case was called in the supreme court this morning, but the hearing was postponed until next term of court on motion that such a suit cannot be brought in the middle of a term. The Pond Creek case will be argued tomorrow.

FLYNN AND GERONIMO.

WASHINGTON, July 11.—Representative Flynn of Oklahoma is indignant at the action of the senate committee on military affairs in providing for the removal of Geronimo and his tribe of Indians from Florida to Fort Sill. An appropriation of \$10,000 is made for the purchase of agricultural supplies for these Indians, and the matter comes up for consideration. Flynn will make a fight, but as the question will be practically decided by the conference committee of the two houses, he fears that he can accomplish nothing.

KINGFISHER COUNTY SEAT.

GUTHRIE, July 11.—The supreme court has appointed a commissioner to take evidence in the Kingfisher county seat case. The county officers are in what was originally North Kingfisher, while the county seat was located in Lisbon. The two places afterward consolidated, and the offices were placed on the Kingfisher side of the street. A mandamus was issued to compel the county commissioners to provide a place for the offices on the Lisbon side, and the matter comes before the supreme court on appeal.

COURT VS. GOVERNOR.

WACO, TEX., July 11.—Contempt proceedings against J. H. Arnold and J. C. Taylor, lawyers of Caldwell, and J. R. Goodman, editor of the People's Voice of that city, has assumed an interesting phase. Taylor and Goodman are in jail under sentence of District Judge Goodrich for contempt. Governor Logg yesterday telegraphed the sheriff to release them, and the latter declined to obey. Later, another telegraph was received from the governor, granting the prisoners full pardon and ordering their release. This telegram has not been obeyed and the men are still in jail. The sheriff states that he will not release them except upon order of Judge Goodrich.

Kansas City Races.

KANSAS CITY, Mo., July 11.—Close finishes and fast time made the races interesting. In the third race, a hot favorite, was closely pushed by Stella M., and only won by a nose. WHEAT FEELS ABOUT WITH EVERY STRIKE STORY.

Market Opens Higher on Bullish Government Report, Stronger Cables and Rumored Death of the Strike, but Denials Later Cause a Slump—Corn is Higher and Oats and Provisions are Off.

Stock Arrivals Limited.

CHICAGO, July 11.—Wheat went up with a rush and down with a thump today mainly on conflicting strike rumors, closing 1/2 lower. Corn closed 1/2 cent higher for July and unchanged for September. Oats finished 1/2 cent lower and provisions at a slight decline.

Wheat opened at 1/2 cent advance and after selling down 1/2 cent, rallied 1/2 cent, eased off 1/2 cent, changed some and closed easy. The former feeling was influenced by some of the bullish government report, but more particularly by the stronger tone of cables. The sharp advance after the opening was due largely to the rumor that the strike had been settled and denials later prices again went back and the early advance. Trade was fairly active.

Corn was quiet with the exception of a sharp advance in July on covering by shorts. The range for July was 1/2 cent. Oats advanced early but reacted later on selling. The range for September was 1/2 cent.

Provisions opened easy on liberal offerings, later becoming steady but dull. Cornmeal was quiet, September and October at 1/2 cent lower; September and October at 1/2 cent lower and September 1/2 cent lower.

AGREE TO RESUME

WALL STREET SPECULATORS START BUSINESS AGAIN.

Active Day on the Stock Exchange Winds Up With a General Advance in Prices—Improving Tenor of News From the Strike Centers Loosens up Traders' Purse Strings and Much Buying Results—Stock Quotations.

NEW YORK, July 11.—This was an active day on the stock exchange and although there were periods of depression, taken as a whole, the market was in good tone and a very general advance in prices was the result of the day's trading. Occasional bear raids were made in certain stocks, but were also attacked without sending their prices below the opening level. News from the various strike centers became improved in tenor and as speculative operations are for the present mainly governed by the labor situation, the trading gained in strength with the reported improvement in the railway camp. The failure of the general strike ordered by Grand Master Workman Sovereign was a factor in the stock market and was to some extent regarded as the beginning of the end of the railroad strike.

Sugar, which furnished more than a third of the total volume, was strong at the opening and in such good demand as to cause the shorts to cover with a celerity that sent the stock speeding upward at a rapid rate, an advance of 1/2 cent having been recorded before noon. At the higher figures there was some realizing and a reaction of 1/2 cent took place in the afternoon, but on new purchases, some of which were made on Washington orders, a higher level, 99 1/2, was reached, being a gain of 1/2 cent, the closing sale being at a price only 1/2 cent below the opening level and 1/2 cent above the closing price of yesterday. Orders to sell Chicago gas were on the board at the opening, which sent the price down 1/2 cent to 2 1/2, the selling being by the time holders, who feared the consequences of a general strike in Chicago. There were good supporting orders at 2 1/2, and the price rose to 2 1/2, followed by a reaction of 1/2 cent, and an advance of 1/2 cent, bringing the price down to 2 1/2, the closing sale being at 2 1/2, the closing price of yesterday. The improvement in the Grangers was largely due to the excellent showing of the corn crop in the government report made public last evening. The general market was strong as a rule during the afternoon, the best figures of the day being current just before 2 o'clock, after which realizing caused some reactions, but the market was generally strong, the speculation being decidedly on the advance, with prices mostly higher than the last figures of yesterday. Pullman made the greatest gain, 5 per cent, on purchases of 100 shares.

The additional \$500,000 Western Union stock listed on the exchange was issued by the purchasing of American Rapid Telegraph company, which had been operated by the Western Union on a lease, but which was recently bought under foreclosure.

The bond market was firm during the morning, but was easier in the afternoon, closing rather heavy. The principal changes in the market were in the bonds of the United States, the first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth, eleventh, twelfth, thirteenth, fourteenth, fifteenth, sixteenth, seventeenth, eighteenth, nineteenth, twentieth, twenty-first, twenty-second, twenty-third, twenty-fourth, twenty-fifth, twenty-sixth, twenty-seventh, twenty-eighth, twenty-ninth, thirtieth, thirty-first, thirty-second, thirty-third, thirty-fourth, thirty-fifth, thirty-sixth, thirty-seventh, thirty-eighth, thirty-ninth, fortieth, forty-first, forty-second, forty-third, forty-fourth, forty-fifth, forty-sixth, forty-seventh, forty-eighth, forty-ninth, fiftieth, fifty-first, fifty-second, fifty-third, fifty-fourth, fifty-fifth, fifty-sixth, fifty-seventh, fifty-eighth, fifty-ninth, sixtieth, sixty-first, sixty-second, sixty-third, sixty-fourth, sixty-fifth, sixty-sixth, sixty-seventh, sixty-eighth, sixty-ninth, seventieth, seventy-first, seventy-second, seventy-third, seventy-fourth, seventy-fifth, seventy-sixth, seventy-seventh, seventy-eighth, seventy-ninth, eightieth, eighty-first, eighty-second, eighty-third, eighty-fourth, eighty-fifth, eighty-sixth, eighty-seventh, eighty-eighth, eighty-ninth, ninetieth, ninety-first, ninety-second, ninety-third, ninety-fourth, ninety-fifth, ninety-sixth, ninety-seventh, ninety-eighth, ninety-ninth, one hundredth, one hundred and first, one hundred and second, one hundred and third, one hundred and fourth, one hundred and fifth, one hundred and sixth, one hundred and seventh, one hundred and eighth, one hundred and ninth, one hundred and tenth, one hundred and eleventh, one hundred and twelfth, one hundred and thirteenth, one hundred and fourteenth, one hundred and fifteenth, one hundred and sixteenth, one hundred and seventeenth, one hundred and eighteenth, one hundred and nineteenth, one hundred and twentieth, one hundred and twenty-first, one hundred and twenty-second, one hundred and twenty-third, one hundred and twenty-fourth, one hundred and twenty-fifth, one hundred and twenty-sixth, one hundred and twenty-seventh, one hundred and twenty-eighth, one hundred and twenty-ninth, one hundred and thirtieth, one hundred and thirty-first, one hundred and thirty-second, one hundred and thirty-third, one hundred and thirty-fourth, one hundred and thirty-fifth, one hundred and thirty-sixth, one hundred and thirty-seventh, one hundred and thirty-eighth, one hundred and thirty-ninth, one hundred and fortieth, one hundred and forty-first, one hundred and forty-second, one hundred and forty-third, one hundred and forty-fourth, one hundred and forty-fifth, one hundred and forty-sixth, one hundred and forty-seventh, one hundred and forty-eighth, one hundred and forty-ninth, one hundred and fiftieth, one hundred and fifty
